“ In both the Hebrew and the Greek Scriptures, death is likened to sleep, a fitting comparison not only because of the unconscious condition of the dead but also because of the hope of an awakening through the resurrection. (Ps 13:3; Joh 11:11-14)
God’s ability to resurrect. For the One with the ability and power to create man in His own image, with a perfect body and with the potential for full expression of the marvelous characteristics implanted in the human personality, it would pose no insurmountable problem to resurrect an individual. If scientific principles established by God can be used by scientists to preserve and later reconstruct a visible and audible scene by means of videotape, how easy it is for the great Universal Sovereign and Creator to resurrect a person by repatterning the same personality in a newly formed body. Concerning the revitalizing of Sarah to have a child in her old age, the angel said: “Is anything too extraordinary for Jehovah?”—Ge 18:14; Jer 32:17, 27.
(REVELATION 21:3-4) “3 With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”##imported-begin##Linda Burke##imported-end##

“ My Beloved Family, my eyes are filled with tears as I write these words to you. You all are closer to me and mean more to me than you will ever know, and mere words cannot express how sad I am at Daddy Clifton's passing. Know that he is forever in my HAPPY memories. And what an extraordinary thing it is to have know someone as long as I have known you all to have nothing but HAPPY memories of our experiences together. And not just of Daddy but of you ALL of you, Shawna, Sonia, Anthony, Xaum and Mother Kitt. Remember that I forever love you all, and even though I am not there in the physical I am there with you in spirit. Remember also that there is no death because our spirit can never be taken from us for it is the part of us that is eternal. It is the part that goes on forever. There is only a cycling and recycling of energies-a changing of form. Our spirit, our soul, and the very essence of who we are is always safe, always secure and always alive. Daddy lives on in all of us. God bless you all my dear ones, Alex and I love you.##imported-begin##Melinda Harrison##imported-end##

“ To Mommy Kitt, Shawna, Sonya, Anthony and the Kitt family;

You have my deepest sympathy in the lost of Daddy Kitt, I am truly blessed to have met and know and saw the fruit of his character in his home, his wife and family. You knew! when you were in the Kitt household! you felt love. So many times we don't share this things until someone has passed on, just how they meant to us.

We don't understand the reasons why things happen as they do. Know this to be true that Daddy Kitt, rests with the King and is in perfect peace.

Now, the piton has been passed both physically and spiritually to each of you! Run with the faith and the love that Daddy Kitt has imparted unto us all.##imported-begin##Sandra Washington##imported-end##

“ We have been grieving since we got the message. You know how badly we wish that we could have been with you in the hospital and make that last visit with him; however, Someone greater than you and us planned otherwise.

We love "Tee", Mr. Kitt, (smile) and all of you dearly. We have to take care of all of you the way "Tee" would want us to.

Please call at any time for anything. We are family. We will visit or would you all like to come to dinner one day soon?

We need cell phone numbers; it took us four days to get in touch.
