“ *Dad, your sister "Vera Jeanes" passed at Henry Ford Hospital the other day. Immediately sadness found me when I heard of this that day, but my spirit refreshed and quickly turned into rejoicing with the knowledge that like you, Aunt Vera has run her race and will beside you. May our Heavenly Father engulf you both in His love and wipe you beneath the wings of His angels.*

I will miss you both until I get to heaven...

“ Dad (Mom),

Looking back on the years since you left and now adding up the months Mom left to be with you, my heart aches from loss. On today, I had to gather my emotional self and I rose to greet another day. As I looked in the mirror and prepared for work, reminded myself how blessed I am to have had your loving care. Thank God for who I have become through you - I am!

I am, because you both were always there.

I am, because you molded me like God did Adam from clay.

I am, because you both saw me bare and uncovered and understood my needs.

I am, because you prepared me for a future I could not see. You pushed me when I needed.

I am, because with my every step you celebrated and my failures you comforted.

I am, because you are the example I now strive to follow.

I am, because I you taught me how to love my brothers and sisters and even a stranger. So now I share is fine Godly love you taught me with my family.

So like this morning, I find the strength every day I look in the mirror, and I know that I am because of you.

Thank you!

Dwayne

“*Your birthday has passed another year. on that day, I thought very deeply on about all the wonderful things of life I received from you. As a tear stream down my face, I asked God to pull you near and whisper in your ear that your son is missing you still. From time to time, I still hear you call my name and I pause. It sounds so real! So you see, eventhough you are walking with God, you have not loss a step in my heart. I love you Dad - Dwayne 5-24-2012.##imported-begin##Dwayne Black##imported-end##*

“ To Dwayne & Sharon Black and family:

I am truly sorry for your loss and will continue to pray that you will allow God to strengthen your hearts and provide the comfort that you need at this time. I can say that I know the hurt and pain that you are feeling right now, as I've experienced the loss of both parents. I can also tell you that It gets better with time, just take it one day at a time. So keep those memories fresh in your minds and that will keep you going strong and just knowing that he is with the Father now gives you hope and strength until you see him again. Be encouraged saints, for Jesus said that he will never leave you nor forsake you. God Bless!###imported-begin##Phyllis Parker###imported-end##
