“ *We want to extend our sincerest sympathy to the Thomas family. We would like you to know that Cornell and his family are in our prayers during these trying times. May God bless his soul and bring comfort to his loved ones during this tragic time in our lives. From all of us at JNB who knew Cornell personally, his departure will put a void in all of our lives. “ *My heart goes out to the family. Cornell was such a sweet person. I have fond memories of him hanging out with my nephew as a child and hearing him call out my name in the back yard. Your family is in my prayers.##imported-begin##Carolyn Parrish##imported-end##*

“ *If anyone could brighten my day up at work, it was C. Not only was he my coworker, he was a great friend! Such a nice guy. We always talked about movies that we liked and or disliked. When I heard the news at work, I was devastated, I started crying. My prayers are with the family in this time of need. He will be missed by so many people.##imported-begin##Briana Bakewell##imported-end##*
