“ *Wow, I could never imagine this day coming where i would have to
say good-bye to my daddy. There is a part of me that is gone and my
heart is torn, how do i pick up the pieces and keep it going. I think of
all the memories of 33 years we had together and the love that you
have showed me. You was in my life from the day i came home from
the hospital as a baby and never left my side. I will never hear your
your voice when you say "Kirshesco". How do you say good
bye!!!!. You never said good bye you always said "Take Care". So
Take Care my daddy and we will meet again. Until then i know you
are my angel watching over me.
Loved you then, love you now and always your daughter

“ Curt has been in my life since I was 2 years old. I'm going to miss the 40 years of him yelling out my name, "Big Tom!!!!" He has always provided for me as if I were his own son. Not knowing my biological father, Curt took on that role for many years. He has taught me many things in life, and cautioned me to watch out for the pitfalls, and for these reasons I have the utmost respect for him. He will be missed. Curt - you will always be a LEGEND in my book.

Sincerely

“ Words cannot express the deep loss we feel over the passing of our beloved Uncle Curt. He was a wonderful uncle to all of the nieces and nephews. As a child, I would spend the summers at his home and always had a fun-filled time. Sometimes, he would allow me to hand-wash his car and intentionally leave change on the floor, telling me that all monies found belongs to me. This motivated me to do a very thorough cleaning. These are a few of the cherished memories that I will hold close to my heart forever. Uncle Curt was very generous and treated us like his own children.

We love you and will miss you dearly. Rest In Peace.

Love Always,

Your niece, Lynn and the Baker Boys##imported-begin##Linda Marie Baker##imported-end##
