“ *Someone asked me to describe Dafon, I said try to imagine the sweetest young man you could ever meet, then add in a fighter. He was my student at Kaplan, and told me that he wanted to be in school because he would not let his illness keep him from living. He will forever have a special place in my heart. His spirit touched everyone around him. Rest in peace dear Dafon, and may god bring your family comfort.*

“ *May the hope of Psalms 34:18 bring the Powell family much comfort during this time, God’s word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.##imported-begin##Ariel##imported-end##*
