“ *I am truly sorry for your great loss! I wish there were words that could heal your broken hearts. Unfortunately only time can start to do that. When you are feeling better, please stop by www.virtual-memorials.com and create a memorial for your loved ones. I can't help but recall the one you created for Jason. You are truly a gifted and talented family! May God bless all of you and give all of you the strength you need to stand strong and live life to the fullest. Your loved ones are at rest now... but you have to keep going. :-) May God bless you and strengthen to do that.##imported-begin##Kme##imported-end##*

“ *I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 21:3, 4.##imported-begin##Susan##imported-end##*

“ Mrs. Ellison, my son is Steven Tucker. I was so deeply saddened about heartfelt loss for you and your family. Steven, spoke to me about Damian, whose friendship will always remain in his heart. I've been here with two of my family members. You are not alone going through this painful road. Over time I soon began to see that in time my tears were lighter and days became brighter. I will hold you and your family close in prayer.

In, faith, love and grace,

“ *Lif is but a stopping place,A pause in what,s to be. A resting place along the road, to sweet eternity. We all have different journeys. Different paths along the way. We all are were meant to learn some things. But never meant to stay.. Oue destination is a place Far greater than we know, For some the journey's quicker, For some the journey's slow. And when the journey finally ends. We'll claim a great reward, And find an everlasting peace with the Lord.##imported-begin##Vernon&Virginia Finner ##imported-end##*

“ Dear Ellison family,
I am so sorry for your loss. I am deeply grieved. I had the privilege of knowing Damian for the 3 years he was in our PT program. Damian was more than just a student who made it through our program, he was a friend. It was my honor to see him reach his goal of graduating as a Doctor of Physical Therapy. He was always kind, tenderhearted and respectful. I can still see his beautiful smile.

I pray that you will be comforted in this time of great loss. Sincerely,
Kim Coleman###imported-begin###Kim Coleman###imported-end##

From Aunt Dorothy

To a forever loved nephew, know that in life if I owned heaven and earth I would have given it to you. All I had could have been yours. I now seek another heir. I know God's love, peace and joy is yours. With God all pain is conquered. Hug your dad, Jason, granddad and the saints for your aunt Dorothy.
