“ Man, it pisses me off that I can't see my cousin anymore. Me and you were like brothers growing up in life. We did damned near everything together from playing in the streets to fighting each other, but we were still close. Had I known about what you were into, I wouldn't have let it escalate to what it turned out to be, because I have FAR too much love for you man. I'll make sure to watch over Eric like I know you're watching over us. I love you man.###imported-begin##Roderick - Cousin###imported-end##

“ Darnell known to God-father as "Puff" bought so much joy to our lives. I'll always love Tracie for allowing us to play such an important role in his life as well as hers. Our lives won't be the same without him. He was a very kind, and giving young man. Darnell loved his family dearly. He was s full of life always smiling laughing and cracking jokes. If darnell was in the house, you can bet there was never a dull moment, unless he was asleep. I drove them to school every morning, the car was full of laughter, thanks to him. noboby will ever bug me the way he did. Already I miss his hugs and kisses. I will forever miss my am calls, Ma, what chu doin? is the first thing he'd say. "God please give me the strength to bear this lose" A part of me has died, but I know you'll give me the strength to make it through. The pain is almost unbearable.##imported-begin##Gerald and Carmen Mcgee##imported-end##

*AMPLE make this bed.
Make this bed with awe;
In it wait till judgment break
Excellent and fair.*

*Be its mattress straight,
Be its pillow round;
Let no sunrise' yellow noise
Interrupt this ground*
