“ *Its hard to believe that Darrell has left us. No one called or informed me of the loss of my friend. Darrell called & texted me from the hospital & left a msg that he asked the family to call me if anything happened. We had a very long relationship and I am so distraught that I find out of his untimely death by looking for services for another friend....To the family my sincere condolences. Darrell (when we spoke) appeared to be in a good place. I know he loved me and I loved him as well. Rest peacefully Darrell, we'll be fine. Bev##imported-begin##Bev M##imported-end##*

“ I am so sorry for your loss. The bible tells us that, "death does have a sting." It hurts bad. We can be encouraged, soon that sting will be gone. Jesus tells us that, all those in the memorial tombs will hear His voice and come out. Jesus always told the truth. We want to do all we can to be there to welcome Darryl back. Our God Jehovah is truly a God of comfort and not the cause of such pain. Our prayers are with you and the family. 2 Corinthians 1:3, 4; Revelations 21:3,-5 Isaiah 26:19, Proverbs 3:5-7.##imported-begin##Liz##imported-end##

“ *My True Love, we made many promises to each other in the softness of night time. Know that I still feel you no matter where your physical body may be I feel your loving, calming arms around me still-in the softness of the night time. I'm not sure I want to live this life without you, but I can share your wisdom, testimonies and how your eyes laugh and dance when you smile. I love you Daddy, and I always will.*
