“ My dearest friend, I miss u so much already. Every day I wait for that call or text at 5:30, telling me to have a good day at work.... and hoping this was all just a bad dream or a mistake. You were an amazing man Darryl. You were always so caring, thoughtful, and loving to me. You made me laugh, and smile from ear to ear. You were a wonderful father, and every time you spoke of your daughter..... you could hear your smile even through the phone. She was your pride and joy without a doubt. Also your love for your mother, brother, cousins and friends.... made me love you that much more. I used to enjoy hearing stories about them and seeing how much they made you happy. My thoughts, prayers, and heart goes out them. I can't imagine what they must be feeling.... because I am so terribly torn without you myself. Every day I keep hoping it will get better..... but the tears just won't go away. You would tell me all the time that one day I will realize that we were meant to be together..... and now I'm without you, and have to wait until God brings us together. I love you and you will always be in my heart. Rest in peace my love.....##imported-begin##Melanie Ambrose##imported-end##
