“ *We are sorry to hear of the passing of David. Our condolences to his whole family.*

*David was one of the few people we have missed when we moved last year (from 13986 Dolphin), and I was worried about who would help him mow his lawn when we moved to Redford. It only takes a moment to lend a hand but so few people are willing to help these days.##imported-begin##Frank Sterling & Rob Keese##imported-end##*
