“ DeAndre left a lasting impression on the hearts of us all. It was an honor to be able to laugh, joke, and to help care for him through those trying times. He will be dearly missed.

*The support that he received from his mom and dad has been such an encouragement to me that it gave me a better appreciation for my own children. Be encouraged and know that time really does heal all wounds. Hold on to the good times and allow the joy of the Lord to comfort you.*

“ DeAndre' was much more than just our postal carrier. He talked to me and helped me thru the loss of my son at 51 years. We talked about his Grandma and his children and he even dropped the letter bag to catch my cat for me when she got out the door by mistake. He also worried about my health and gave me his cell # to call if I needed his help. He is a Great loss and is thought so highly of by us and many people on his route.BUT maybe he will meet my son and they will both be happy. Bless you all - our heart is with you. “ I first met DeAndre over 10 years ago when he first married my sister. I immediately realized he was a good man and an amazing father to my niece. His life revolved around his daughter, Poodah, and I will always admire him for the intense love and compassion he showed for his family and friends.

*My heart and prayers go out to everyone who are deeply affected by his passing.*
