“ *I'm gonna miss my man Big Dean. No more playing you in fantasy football. Don't get to hear you talk all that trash. Won't be able to give you a ride to work no more if you need it. I'm gonna miss ya. My thoughts and prayers go out to the family, and the same from everyone here at work.##imported-begin##Ken Brown##imported-end##*

“ *Robin,
You and your family are in our prayers. Dean will be missed greatly here at Dow Automotive. The Tuff Football league won't be the same without him. I always encouraged and challenge "The Big Fella" every week when it came to bowling, in fact he would give me a frame by frame account of each series every week.*

Take care and God Bless you all.
