“ I haven't spoken to you in years. It seems like just yesterday when I used to come knock on the door asking to see if D-man could come out. I remember back in the day when it was me, you, antoine, and lewis. All we used to do was play ball on the little juggle gym in the back of your crib. We were all like little brothers. I smoked my first blunt with you. I threw up all over your crib drinking my first 40. We snuck girls in out each other cribs. We got caught stealing with each other. We cracked jokes on each other. We fought niggaz together. And spent an endless amount of time talking about how much we was gone be ballin when we got older. It saddens me greatly to hear this news. You'll always be my original right hand man. I akwardly feel blessed to been what I been through and to see what I've seen. I wish we could have came together as men to reflect back on our childhood. I hope you balled out pimp! Smokin somthin in your memory....##imported-begin##Worm##imported-end##

“ Kyesha,

My deepest sympathy to you and your family. Kathy and I would like to meet you for lunch some weekend in the next few weeks. We both think about you, miss you, and are sad for the tragedy you are dealing with. Remember that God does not put more on our shoulders than we can bear; but he sure pushes the barriers at times. Your niece will need a lot of extra love, guidance and support, and there is no better Aunt in the world to be there for her than you.

I am always just a phone call away, any time any day.

Love you,

Julie###imported-begin##Julie Mosley###imported-end##

“ Aunt Shelia and Kyesha,

Although I am far away I want you to know that everything happens for a reason. Although God felt that D-man had done his job here on earth although you may not feel the same. Know that I am only a phone call away and I love you very much. Also know that D-man left a Beautiful daughter behind just for you. She will be a reminder of who he was everyday. There will be sad times and there will be happy times, but most of all know that all things are possible through Christ who strengthens us. I love you all and you are forever in my prayers and in my Heart.###imported-begin##Tenaja Cunningham###imported-end##

“ Ms. Flagler and Kyesha,

D-Man was like a brother to me so it hurts my heart to know that he's gone. But his spirit will forever remain in my thoughts and in my heart. You all will remain in my prayers during this difficult time. If you need anything at all, please don't hesitate to call me. I love you both.
