“ *Angela and family, you have my deepest sympathy and sorrow for  
the loss of your loved one. Angie, I hate that you are suffering and  
grieving over the loss of your brother, but even during this most  
difficult time, may you find peace, knowing that he is no longer  
suffering, and may you and your family hold on to all of the precious  
memories that you have of Derrick for the short time he was here on  
this earth. Angie, I love you, you have my support and if there is  
anything that you need or if you just need a shoulder to cry on I'm  
here for you always. May God bless you and your family. Love,  
Uno.....##imported-begin##Eguono Ponius##imported-end##*
