“ *This is the most difficult remark I have had to write.my deepest heart felt sympathy goes to Dexters Mom,neices.sister and family whom he talked about often.I will always miss him.And fill empty without him,I would see him just about every sunday after church and he would blow the horn on that school bus every morning when he passed by my house which made me laugh.##imported-begin##Margaret##imported-end##*

“ It's so hard to believe that you're gone. I really wish I could have seen you before God called you home, but I'm so grateful for the time that I had to spent with you. Since the day that I met you've always made me feel special. Even though you're gone I surely won't forget you. You were a very important part in my life. And I wouldn't have no other way. So rest in peace, because you don't have to be in this cruel world anymore .”(##imported-begin##Tiffany Marshall##imported-end##

“ May the hope at Isaiah 25:8 bring the Stafford family much comfort, here God assures us that death will be swallowed up or removed from all the earth. This is something that we can look forward to in the near future.##imported-begin##Ariel##imported-end##
