“ *Donald, I had not seen you since you were a little fellow. My heart is broken because you are no longer here. But I'm comforted because you are now with your Grandmother and and GreatGrandparents and they will take care of you until we are all together again. Don't worry about your Mom, for I will always be near to her, to help and comfort her in any way that I can. Everytime I look at her I will think of you and the happy times. The troubles of this world are all over with now for you, dear Nephew, so take your rest and rejoice in the eternal peace of Paradise. We will see you again. I love you, Donald and will never forget you. Love, Aunt Yvonne and the Samuel and Cousins Families.##imported-begin##Yvonne A. Cousins (Great-Aunt)##imported-end##*
