“ *Of all of my grandfather's brothers, Uncle Don was always my favorite! I have many good memories of him coming by on Front Street to visit as a child. Even as an adult, his face would light up whenever I saw him. My daughter's also have good memories with him. We love you Uncle Don & will miss you!!!##imported-begin##Latishea Varnesdeel##imported-end##*

“ *To Rohn & Lynn and your families, I don't recall ever meeting your dad but we know "you will know them by their fruits" and in the two of you, surely he had to be proud. These can be difficult times, but they can also be a wonderful blessing in memories and reflections. Know that your families are in our prayers & may the peace & strength that only Lord can provide guide you through the days to come.
