“ To Polly and family,

Please accept our sincere condolences for your loss. You and your family have our love, warmest thoughts, and prayers. There's a wonderful peace in knowing that our Lord is always there watching over us with boundless love, keeping us in His care. May God's Grace strengthen you and your family continuously and give you peace.

*God bless you all,
Mr. & Mrs. Shelly Moncrief & son###imported-begin###Mr. & Mrs. Shelly Moncrief and son###imported-end##*

“ Hi Dorothea, my prayers are with you and your family during this time of bereavement.##imported-begin##Janice Mitchell##imported-end##

October 11, 2012 at 09:44 AM

“Dorothia, I am saddened to learn of the passing of your beloved Father. I am praying that Almighty God will increase your faith during this most difficult time. In times like this we often hear others say that our loved ones are in a better place and while they mean well those words might not give us the comfort we need. But if we have faith and if we look at the 16th Chapter of the Gospel of John we see that Jesus while preparing His Disciples for His crucifion and resurrection gave them the following assurance. "In a little while you will see me no more, then in a little while you will see me. I am going to be with the Father." You and your famiy are currently in that transitional period of not seeing your father here on earth but rest assured in a "little while" you all will see him in heaven with the Father God. I continue to pray for your family during this, your period of bereavement. Brother James (HJ)###imported-begin###Henry Jams###imported-end##

“ *May the hope of Psalms 34:18 bring the Williams family much comfort during this time, God’s word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.##imported-begin##Ariel##imported-end##*
