“ *May God comfort you Sheila, Steven and rest of loved ones. Donn's smile always made me smile, no matter what. His work ethic was one to be emulated. I can't count how many times he resolved an issue almost before I could finish my request. He had a huge heart as evidenced by his passion for the annual Adopt-A-Child program. I heard he made an awesome rum cake but he would never give me any because I was a preacher.##imported-begin##Donna F. Woods##imported-end##*

“ Hey Sheila just wanted to let you know that you and your family are in my prayers. I was in this exact place 10yrs ago, no it is not easy but God is able to carry you through. Remember the good times. I still see Donn at the bowling alley pitching that ball at the pins, I always told him this is bowling not baseball. Know I love you and I am praying for you.###imported-begin##Dawn Davenport###imported-end##

“ My prayers go out to Donn's family. I will remember him as a man that didn't showboat, but instead did things because he cared. An example of this quality is how he always headed up the programs around Christmas time to enable other children have a great Christmas. He was extremely technical with Telecommunications (I'm sure that Mel Ford, Tony Griscavage or Dereck Bradley can qualify my assertion). I learned a great deal by observing what this man did, as opposed listening to what he said he was gonna do.###imported-begin##James Rainey###imported-end##

“ A faithful servant of God once prayed: “Do put my tears in your skin bottle. Are they not in your book? This trusting servant knew that God was aware not only of his suffering but also of the emotional impact it had on him. Yes, God was aware of this man's pain and remembered (as though written down in a book) what he went through emotionally that caused his tears. (Psalm 56:8) Our Loving God has not changed! (Malachi 3:6) He is aware of the many traumatic experiences that mankind has endured over the millenniums of time, especially death. He knows the devastating effects that death can have on our very being. That's why it was never his purpose that death should 'rule as king' over mankind. (Romans 5:17) He will truly 'remember our tears' and promises us in His Word that death will soon be destroyed (2 Corinthians 15:26). Our loved ones who have died, he will restore to us by means of a resurrection (John 5:28,29) Not only that, but all mourning, outcry and pain will be gone and he will lovingly wipe away all tears from our eyes (Rev. 21:4) Mankind will then be able to live out the length of his days in perfect peace, health and happiness, the way God originally intended: 'even life forever more'. (Psalm 133:3, Psalm 37:29). My deepest sympathy to you.###imported-begin###joyce jones###imported-end###

“ To the family of Donn Edward Boyer:
I would like to express my sincere condolences to the family. We are all saden by the death of some one we love, but the God of the Bible gives us hope and comfort, it tells us that there is going to be a resurrection of both the righteous and the unrighteous. (Acts24:15) Almighty God will wipe out every tear from our eyes and death will be no more, neither will mourning nor out-cry nor pain be anymore. (Rev 21:4)So we can find comfort in knowing that some day death will be done away with and we will be able to live forever on a paradise earth.##imported-begin##Deborah Salley##imported-end##

“ To the Family of Donn Boyer. I was deeply saddened when I learned of the passing of your loved one. I worked with Donn for 17 years and always found him to be a friendly, conscientious, and giving person. I always admired him for his tremendous work ethic and dedication to the less fortunate in our community. This dedication to the less fortunate was clearly demonstrated by his involvement in the Christmas Adopt A Family program. I sincerely pray that the Lord will provide you with comfort during this time of your bereavement. Know that I have and will continue to lift y'all up in prayer.
