“ Rest in Paradise daddy...When you left i felt bad because of all the time we spent arguing nd mad at each other. But i now realize those are the things that helped us grow closer in your last days. I will never forget our last conversation. because it cleared alot of things for me and i now know what u want and expect from me as i become a woman and develop more as a mother.I just wish u could see Amila now. Shes so big!!!..... i will always love and miss you. Seems like u were taken from my life way to early. I finally had a relationship with my dad, then u were gone. I will always charish and miss our random phones calls where we sat and spoke about absolutely nothing or sharing gossip. My dad, my father, my friend. You are truely missed. Rest now, because all your pain and suffering is now over. I will alwasy love and miss you. YOur daughter, Dayja...##imported-begin##Dayja Love##imported-end##

“ May you receive the strength you need to endure the days ahead. Dorenzo should have had eternity ahead of him, which is what Our heavenly father intended for all. As you reflect on the happier times you shared with Dorenzo, I hope your tears of sadness will turn to a smile. You are in my thoughts and prayers for the strength & peace that only Jehovah God can provide to help you through these most challenging times. Revelations 21:3,-5 Isaiah 26:19, Proverbs 3:5-7.##imported-begin##Liz##imported-end##

“ I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 1: 3, 4.##imported-begin##x##imported-end##
