“ *I had a long working relationship with Doss Seay during our years at the Trenton Engine Plant of Chrysler Corporation. My remembrance of Doss was as a reliable and very decent Christian man. Doss also had a wry sense of humor which he never lost even under trying circumstances. I have not worked with him for these many years but I will always remember his smile and friendliness. “ *May the hope at Isaiah 25:8 bring the Seay family much comfort, here God assures us that death will be swallowed up or removed from all the earth. This is something that we can look forward to in the near future.##imported-begin##Ariel##imported-end##*

“ *Marla, Kesha has always spoken very fondly of your dad, although I have never had the opportunity to meet your father, listening to Kesha speak of your father on so many occasions; I can tell Doss was truly special a father, and person. I felt as if I knew him through Kesha. My deepest heartfelt condolences go out to you and your family.##imported-begin##Stephanie Simpson##imported-end##*

“ *My deepest condolences are extended to the Seay family at this sad time.*

*I never had the pleasure of meeting Mr. Seay, but as a co-worker of Dosita, I believe her pleasantness and ethics, must have come from the positive influence of her parents.*

*May your belief in God and family closeness strenghten each of you now, and in the future when you think you your father.*

*Sincerely,*
