“ I guess I thought of Uncle Doug as someone that would always be around. I didn't realize how much knowing he's gone would hurt me and make me miss him. Its much worse because there wasn't time to prepare. I was starting to see him much more often lately because I'm spending time with Camilla and I'd begun to really appreciate his sense of humor and his dedication to her success in life. I'll miss him very much.##imported-begin##LaTrisha R. Lake##imported-end##
