“ *Dear DuShawon,  
You are my heart. I will always love you. No matter where my life takes me you will always be there. You have given me the best year of my life. You taught me never to expect nothing but the best. I love you and my heart hurts so much. I know that you are in the presence of God. I will see you in Heaven. Love your fiance Agnes##imported-begin##Agnes Gabriel##imported-end##*

“ *To Dushawon,*

*I appreciate you making sure that your daughter was always an priority in your life. I thank you for being a good father and a great friend to me. Camryn will never forget you and so won't I. So don't worry about not full filling everything that you didn't get a chance to do with her, cause she knows that you loved her and she'll be alright.*

*Love your long time friend,
