“ *I was so sorry to read about the loss of Edward, and I would like to extend my condolences to your family. Having to cope with the loss of a loved one can be difficult, but God has promised a time when we can see our loved ones again (Isaiah 26:19; John 5:28,29). Until that time please know you can rely on God for comfort (Psalms 55:22; 2 Corinthians 1:3,4).*

Respectfully,

“ It is never a pleasant message to hear that a loved one has passed on, especially those so young. To my Family although distant - but never too far way - I send my prayers and condolences and heartfelt sadness to all at this time. Cousin forever,

“ Dear Family: May I offer my sincere condolences to your family on the loss of your loved one, Edward. Death is mankind's worst enemy because it separates us from those we love so much (1 Corinthians 15:26) But our Loving Heavenly Father promises to remove the ravages of death and destroy it forever (Isaiah 25:8) He will then restore our loved ones (including Edward) to us by means of a resurrection (John 5:28,29; 11:25,26) Mankind will then have the opportunity to live out his days the way God originally intended..."even life forever more".(Psalm 133:4) My deepest sympathy to you.##imported-begin##joyce jones##imported-end##
