“ *Nilda,  
Having lost my father recently, I know what you are going through. I still miss him, but the hurt fades as you enter it. Strangely, I miss the things I didn't like about him as much as the things I liked. I still take him with me, where ever I go, and he speaks to me, even now. You will find peace in your own way, in your own time.*

*We send our love and deepest sympathies,*
