“ To the Wife and Family of Bro. Edward Devaualle Mccullough,we the Church family of Bro. Adam and Willa Mccullough would like to extend to You our most serious heart felt sympathy.

We know that the loss of your love one is going to cause a void in your lives, but we also know that we serve a loving God. Our loving God will dry the tears from your eyes, mend your broken heart, and give you the peace that you need to take you through this trying time.

God, our Heavenly Father has had a room in his house of many mansions set aside for Bro Edward McCullough for many years. He knew that one day he would be coming home to be with Him.

So remember that; just as the Lord God made provisions for Bro.Edward's home going, likewise in this life, He will take care of you. The song writer has told us that; earth has no sorrows that Heaven can not cure. So, trust in the Lord. He will not leave you alone.

The church family here at Ward Chapel A.M.E. Church, Festus, MO. stands in readiness to assist you in any way we can.

We shall continue to lift you up in our prayers for we know that when prayers go up blessing come down. We are asking our Heavenly Father to bless your family in a very special way. We are asking Him to give you peace within, now and in the days to come.

RESPECTIFULLY SUBMITTED BY THE OFFICERS AND MEMBERS OF WARD CHAPEL A.M.E. CHURCH-FESTUS,MO.

“ *Our hearts have always been with you, our prayers of strength have always been for you.*

We will continue to pray while you push through each new day, asking the Lord to create just for you, a way out of no way.

Uncle Ed so full of strength, wisdom and nurturing patience, will never leave our hearts; as his spirit, which the Lord granted us the benefit of a deposit, will reside supported by our memories allowing us to never be apart.

With our heartfelt love always...

“ Two of the four pillars of the McCullough pantheon have now made their transitions, having fought the good fight. We've been amply blessed to have had Uncle Eddie for these eighty plus years. A.D. and Bertha did good work. Its been an honor and a pleasure to have grown up in Gary in the shadow of the "McCullough Boys". My legacy includes being E.D.McCullough, like Uncle Eddie. This part of the journey has come to an end, but Uncle Eddie will be with us forever. May God bless family and friends in this time of bereavement, but let us not forget to rejoice in the love that we share.##imported-begin##E. Darryl McCullough##imported-end##

“ Grand Daddy,

Words cannot express my feelings right now. I want you to know Jacquie and I were really trying to make it out there to see you next week.....looks as though our trip will be sooner than expected. I'm sorry we didn't make it in time. I am so glad I was able to tell you how much I love you over the phone and although you were unable to speak, I heard you tell me you love me back. I'll always remember the summers spent with you and GrandMa Kat....I'll always remember the strength in your voice and how you always wore pinky rings....You were so debonair about yourself. I'll always remember Boblo Island and pecan waffles from The Original Pancake House.....and I'll never forget your good friend, "The Gooch" who lived in the basement ;o)....Anyways, you will forever have a place right here in my heart. I will take you with me through this journey. I know you are well now. I know the Creator will take care of you for us. And I know he will look after GrandMa Kat in your absence. You are so very dear to me. I love you and miss you so. Until we meet again young man, dance as though no one is watching. Be well!##imported-begin##Shellie McCullough##imported-end##

“ *Edward Devaulle McCullough, was so much more than an uncle to me. He was another father, and a grandfather to my children. We shared many laughs together and he always showed me and my children unconditional love.*

I know that he is gone to be with the Lord, and in my heart I am okay with that, for he suffers no more. However, the void that is left from his absence on this earth will not be easily filled. I will keep with me all of the things that he taught me, the strength and courage that he displayed, his gentleness, wisdom, and kindness, and it is those things that I will forever hold dear. Although I am sad that he is gone, there is comfort in knowing that we shall meet again someday. With that I say go in peace my beloved uncle, take your rest, we all loved you dearly but it is God that loves you best.##imported-begin##Robin P. Parham##imported-end##
