“ To the Brice Family: May I offer my sincere condolences on the death of your loved one, and your father, Mr. Brice. I can truly relate to your pain for I, too, lost my dear father some years back. Their presence in our lives are so important. My father, too, instilled in me strong values that have truly helped me over the years. When they leave us, it truly leaves a hole in our heart...a hole that only God can heal. And, Jehovah God has promised to do just that! He knows that death is an enemy to us for it separates us from those we love (1 Corinthians 15:26). And he understands that we are helpless in the face of death. (Psalm 89:48) He has promised in His word the Bible that death will be destroyed (Revelation 20:14). He has also promised us that by means of his Son, Jesus, that He will resurrect to life all those sleeping in death in his memory (John 5:28,29). Then, 'death will be no more, neither mourning, nor outcry, nor pain be anymore. The former things have passed away' (Revelation 21:4) It is these promises (and many others)of God that has sustained me over the years. May you find comfort also in God's word, knowing that he cares for you too (1Peter 5:7). And, because he does cares for you...and me, and all mankind, He will do all that he has promised, and you and I (among many others) will see our earthly fathers again. (Titus 1:2) My deepest sympathy to you.##imported-begin##joyce jones##imported-end##

“ With all the love and loss we've experienced in our lives, you'd think times like these would become a little easier. Yet nothing could fully prepare us for the loss of someone special...We hope it helps you to know that we are thinking of you and hoping you can find some comfort in your memories of all the special times you shared.
With Sympathy,
The Hoyle and Burch Family.###imported-begin##The Hoyle and Burch Family###imported-end##
