“ *Stephanie and your entire family. We are praying for the God of Peace t blanket that peace upon you all. Let the strength of God's Word gird you and strengthen you. Also let your children read of the wonderful example & how Edwin used his gift to help people who had issues but were confronted by a special man from God, who looked past their faults and saw their need (Google his name, what a legacy). Ed would always share his times with little Ed at the barber shop and how he felt this work is a ministry... I will leave with these words to comfort your family.. Isa 61:3 To appoint unto them that mourn in Zion, to give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they might be called trees of righteousness, the planting of the LORD, that he might be glorified. ...Jerry & Lydia Webb##imported-begin##Jerry E. “ Dear Huby Family: A faithful servant of God once asked: "If an able-bodied man dies can he live again?"(Job 14:14) All through the Bible the Scriptures give a resounding "YES". Death, at any age, is an enemy of mankind and tragic because it separates us from those whom we love. But Jehovah is the Source of Life...not death (Psalm 36:9) and he has promised to destroy death forever and the one who causes it...Satan, the Devil (Revelation 20:14, Hebrews 2:14). Jehovah gives life, not take life, so He assures us that the time is coming, very soon now, when "all those in the memorial tombs (graves) will hear his voice and come out", yes, restored to life!! (John 5:28,29). With that accomplished, Jehovah God will then "wipe out every tear from their eyes and DEATH will be no more, neither mourning, nor outcry, nor pain be anymore." Yes, those sleeping in death will, in God's due time, live again (John 11:25,26) May God's Word comfort you in the weeks ahead (2 Cor. 1:3,4) May you be reminded of his promises which are soon to be a reality because Jehovah God cannot lie (Titus 1:2). My deepest, heartfelt sympathy to you.##imported-begin##joyce jones##imported-end##

“ Our deepest sympathies to Ed's family and his dear friends and comrades at Project Helping Hands. Ed Huby was a wonderful man with a big heart - he assisted me with my master's project on homelessness and with stories for Fox 2 News. He helped a lot of people in the short time he was with us and he and his infectious smile will be sorely missed...

“ My heart breaks for the Huby family - it can be hard for boys to grow up without their father. Even though I did not know Mr. Huby personally; I'm truly saddened that such a fine youngman was overcome by the enemy death. The time is coming when:"...death will be no more, neither mourning, nor outcry nor pain will be anymore". (Revelation 21:3.4) Mr. Huby and many others have the opportunity to be resurrected to life on a paradise earth soon to be. God cannot lie (Titus 2:1). It's as good as done! He can rest now, but until then hold on to this precious hope, Mr. Huby will be looking for you and we want to be there, in paradise, so he can find us. Keep the bibles words close to your heart, as you treasure the memory of him.##imported-begin##Liz##imported-end##

“ Stephanie & family,  
Words can not even begin to describe the deep sorrow and hurt that I feel for you and your children. I love you so much and I loved Ed dearly because he cherished you, and his family. He was a GREAT man, and I thank God everyday that you had the time that you did with him and that he sent Ed to you to love you because you truly deserved a good man. I cannot explain why Ed left our lives so early in life, I guess that is what hurts the most, not being able to understand why our loved ones leave us too soon, but I hope that you will be able to be strong for you and your children and just know that I love you and I will be here for you, to support you in any way that I can, anytime that you need me.

“ Dear Stephanie,  
I am still at a lost for words to the point that I really don't know what to say other than that you Steven, Little Ed, David, Nicole, and the entire Hubby family are in ny thought and prayers. Believe me, I do share your pain, however, through God's Grace, you will get through this by continuing to pray and trust God to give you strength. As you and the boys move forward, treasure the wonderful times that you had with Ed who was the epitome of what a fantastic husband and father should be\_\_\_\_\_the world needs more men like him!!  
In closing, remember, "If we don't know the sadness of saying goodbye, we can never know the hoy saying, "Hello."
