“ Dad, I'm gonna miss you. If you knew my dad, you knew what he meant to a lot of people, especially me and my brothers and sisters. He was the most wonderful person you could ever meet. He was very respectful to others and helped whomever needed help. My most favorite memory is how I used to hang with him when I was child. My dad taught me how to be a respectful young man, to be a father to my son, and to care for others. Scooter Booter will always love you. Momma, my brothers, sisters, the grandkids, and I will always miss you. We will continue to cherish your love and spirit in our hearts forever. Love always, Hump.##imported-begin##Eloyal Otis McCullough Jr##imported-end##
