“ *I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 21: 3, 4.##imported-begin##sf##imported-end##*

“ Question, Deb and Cheryl and the entire Jones Family....

*Our deepest sympathy and prayers goes out to you during this difficult time. These times are never easy to walk through, but the best times for God to reveal his power and strength towards us. Uncle is resting peacefully with our Father and that only will bring us the peace needed to walk through this journey. Anthony and I may not be there physically, but know that we are there mentally and spiritually. May God continue to love you and shine his spirit upon the entire family...*

*With all our love*

“ *Deb, Cheryl, Quentin and the entire Jones family. I understand just how you all feel. As you are aware my dad passed only a few months ago. The Lord knows about the heaviness on your heart and He will keep you during this time and in the days, weeks, months, and years to come. Weeping endures for a night, but joy comes in the morning. Yes, you will weep, but at the same time the precious memories will flood your mind and you will find yourself smiling through your pain. God bless and keep you today and always is my prayer.##imported-begin##Andrea Banks ##imported-end##*
