“ Dear Family,

Many of us could not be there with you physically, but we are there in spirit. Uncle Gene is the last of the Clardy sons of Theola to transition home and will be greatly missed here. However, we know that where he is now there is no pain and no suffering. We take comfort in knowing that we will see him again some day...for the tie that binds us is our spiritual DNA and our father, God has prepared a home for each of us, where the word goodbye will never be necessary again. We love you and want you to know you are never alone. God will never leave us, nor forsake us.

May the SON always shine on you,

Beatrice and LaToya##imported-begin##Beatrice Johnson/LaToya Tillis##imported-end##
