“ *Our deepest sympathy goes out to the family of this good man. Felix was like family to me and mines. He was there for me and my family whenever we needed him despite obstacles. He will truly be missed but treasured in many of our thoughts. May God be with you Felix and your grieving family.##imported-begin##Terrence & Christina Williams##imported-end##*

“ *Phil you will be missed. I remember when you and Net took me in and treated me like one of your own. You will be truly missed. Most men wouldn't take another man into your home but you did it with out a thought, and help me get back on to where I could fly on my own.*
