“ *Brother, there are brothers and there are BROTHERS - and you are one of the best. I owe a lot to you. When I started out in life, I had you to show me some of the finer points of life. To have a brother that loved everyone; to have a brother that gave to everyone unselfishly. You are truly one of a kind. I will love you and miss you forever. Rest in Peace.##imported-begin##James Wright##imported-end##*

“ *Uncle Frazier,
It is hard to believe that God has called you home. I will always remember the times we shared and I especially remember when you came and poured our driveway. A master at your craft, you were truly gifted of God. My only regret - you did not get to hold my daughters more. God Bless your memory.##imported-begin##Anthony, Tina, Sabrynn, Shayla##imported-end##*
