“ What I will miss the most: I say "Love you daddy" you shaking your head up and down. grunt "um". Then say "love you". Your "bring me" list. Throwing that hand waving off folks. That LAUGH. Maybe, if I had paid more attention to the meaning behind the little things you begin to say and do, I would have known you were about to leave. I missed the signal. This was not expected. Going to miss you daddy. I thank God for the time we were able to spend together. Jean###imported-begin###Gloria Jean Fields###imported-end##
