“ *Hero Dad*

You are my hero, Dad

You're my secure foundation.

When I think of you, I'm filled with love and appreciation.

You make me feel protected;

I'm sheltered by your care.

You're always my true friend;

When I need you, you're always there.

You have a place of honor

Deep within my heart.

You've been my superhero, Dad,

Right from the very start.

*BLISS YOU WILL NEVER BE ALONE, I'M GLAD YOU AND YOUR
DAD HAS A WONDERFUL RELATIONSHIP.*

“ You may have thought I didn't see,
Or that I hadn't heard,
Life lessons that you taught to me,
But I got every word.

Perhaps you thought I missed it all,
And that we'd grow apart,
But Dad, I picked up everything,
It's written on my heart.

Without you, Dad, I wouldn't be
The woman I am today;
You built a strong foundation
No one can take away.

I've grown up with your values,
And I'm very glad I did;
So here's to you, dear fred,
From your forever grateful daughter##imported-

“ *Do Not Cry*

Do not cry for me, my dear...

*My last wish is for you to
carry me with the breezes
when they swirl delicately
beneath the storms you'll
gather amidst your spirit.*

*As rain pelts harshly against your heart,
let the soothing trickle calm your soul.
When you feel like you're drowning,
lay down quietly and savour
the tranquillity of memories,
allow them to cleanse your pain.*

*I'll speak to you through nature's gifts
and I'll never be far from your door.
When colourless clouds surround your mind,
I'll paint them brightly with tones of love.
I'll ask the birds who sing so sweetly
if I can borrow their voice
to remind you I haven't gone far.*

*Every leaf or feather you see floating
is me, asking you not to cry.
Each pebble you see washed upon the shore
is your reminder that I didn't die.
The rippling waters are my giggles
and the wave-tops are me saying hello.
Never forget how much I love you...*

*I'll be here 'till you ask me to go.##imported-begin##BLISS

“ As a child, I was daddy's little girl, To me, You hung the moon. You never really realize, How special, A bond really is, Between a father and a daughter. You were there when I was born, Through good times and bad, You're my daddy, You were there, When I cried for my dear, You were better than batman, And smarter than Einstein. To me you're always, My superhero. Not long ago, YOu walked me down the aisle, Though you gave me away, I'm always your little girl. Now that I'm grown, I know you don't have magic powers, But still deep down, You're my hero. I MISS YOU SO MUCH##imported-begin##BLISS TO MY DADY##imported-end##

“ lighting a candle for someone you loved and lost, shines out light out to them, and warms you near.

Light A Candle

© J

*light a candle,
see it glow,
watch it dance,
when you feel low,
think of me,
think of light,
I'll always be here,
day or night,
a candle flickers,
out of sight,
but in your heart,
I still burn bright,
think not of sadness,
that I'm not near,
think of gladness,
and joyous cheer,
I have not left,
I am not gone,
I'm here to stay
my little one,
so when you light a candle
and you see it glow
and you watch it dance
in your heart you'll know
that I would never leave you
even when you feel so blue
I'm sitting up here with the Lord
and now watching over you##imported-begin##peom from the heart
