“ *Hello, my name Tanae' and I met Mr. Townsend when I was in 3rd and this morning I just so happen to remember the poem he gave me that got me a second place 🏆 and I'll never forget it's called Opositive. You are one of my forever memories. ❤️*

“ *I will always love you. I could not have asked for a better big brother than you. You were, and are, simply the best big brother in the world. I thank God for giving you to our family. I miss you more than words can say. However, because we accepted Jesus as our personal savior, I'll see you again one day. Again, I will always love you!*

Love,

“ Townsend family my deepest heart felt sympathy I extend to your family. I was devastated to hear of the loss of your patriarch. I have always admired the way Ted looked after the well being of his family. It was obvious that he was the earthly covering for his wife, daughter, sisters and nieces. He was the epitome of Community and family. His presence will be missed by all. My family's prayers are with you.

“ Uncle Ted, words cannot express how much I miss you but I do want you to know in the midst of my sorrow you have been better than the best to me and our family. I will never forget your teachings on how to be tough in Corporate America, and to look people straight in the face when speaking! It is in my blood...I will miss you asking for room rate discounts every week, and saying "that'll work" when I call you just to say hi and not ask for any money! I appreciate the relationship that you and I shared, and I cherish every moment that I was able to spend with you. We ALL love you so very much and you will forever live on in our hearts and spirits.##imported-begin##Brandi Snipes##imported-end##

“ To the entire Townsend Family:  
It is with my deepest sympathy that I extend my prayers and love to Garrett's family. He was such a wonderful brother. I can't seem to stop thinking about how time just slips away from us. Garrett and I go way back, and we hadn't spoken for sometime, yet he will forever remain in my heart. He surely loved his daughter, her mom and his family. What a proud and happy guy he was to have all of you in his life. His smile has lighted the world and now heaven. He often made me laugh, reflect and offered a male's perspective which was most often enlightening and optimistic. Some people enter our lives for just a season. How blessed we are to have known each other! I'm surely going to miss him-much!  
Abundant blessings to each of you.
