“ Dear Terry,

I remember you as "The handy-man" you were always working on something or helping someone. I remember you greeting me with "Wuzup Brother-inlaw how ya doin?" you always spoke a kind word to me and my family.

I appreciate you being there for for your daughters in anyway you could as well as my Father the Late James L. Brooks when he was too ill to do for himself your were there. Often in life we a human beings fall short in many ways often not living up to things others expect of us; but what ever short comings you might have had we all have them. But Terry your heart was golden and we all fell the loss of you and all the good things you did from your heart.

Now that you have traded time for eternity Rest in Peace with our dear lord and savior Jesus Christ.

We will never forget you,

“ I hardly know where to begin. I was so saddened when I received the call from Karen about the loss of Terry! Despite, the fact that I moved away from Detroit decades ago, I especially remember Terry from when Roy and Karen lived on Archdale and then later in life at major Harlin family events. I remember Terry as always smiling and cracking jokes and making you laugh. I know among the greatest pain one faces in life is the lost of a child, parent, spouse and/or a sibling! I know the Harlins are a very close family. I have had the honor of attending Harlin family reunions. My heart felt sympathy, prayers and love go out to the entire Harlin clan. I pray that the good Lord will keep you and that joyful memories of Terry will comfort you all during this difficult time. I will keep you all in prayer. “ To my Aunt Helen and cousins:
We often wonder why, but my God is all knowing and caring, and He continues to love us in spite of ourselves. We have the assurance of believing we will all be together in that great bye and bye. My pray is that God gives you the strength to endure this season in your life, and keep on praising Him for His goodness.###imported-begin##Janet Price & family###imported-end##

“ To the Harlin family: I want your family to know that you all have my deepest condolence for the loss of "Uncle" Terry.
