*We wanted to take some time to share with you as you reflect over the times that you spent knowing and loving your dad. I saw a movie recently regarding the death of a loved one, and in the movie it was stated..."as long as there are memories, that person never leaves you". Keep the fond and precious memories of your dad in your heart and know that we are praying for you always. *Dear Pye Funeral Home of Detroit, Michigan.*

*I would like to get this message read at Mr. George Washington wake or Funeral. My name is Ellis Kinchen of Memphis, Tennessee Lena Harvey brother. I would like to say that Mr. Washington will truly be missed. He is a great man! I was a young man before I left Detroit and now reside in Memphis, TN.*

*As I grew up he advised me of a lot decision making to make something of myself. Now from that advice I became a Business Owner. Mr. Washington the knowledge you had was outstanding and just to listen and hear your conversation was great! You would talk to me just like my dad. Thanks Mr. Washington for all the many years of advice and the great heart that you have and again you will be truly missed.*

*Sincerely*
