“ *To the Houston family, I am deeply sorry about your lost. During this trying time I would like to leave the family with conforing words. The bible teaches us that we will see our loved ones again according to the resurrection hope found at John 5:28,29"those in memorial tombs will hear his voice and come out". Those resurrected as huamns will have the opportunity to love on a paradise earth(Luke 23:43) I know you would love to see George again, so you can put your trust in Jehovah God that this promise will come about in the near future.##imported-begin##Jasmine Benford##imported-end##*

“ *May the hope at Isaiah 25:8 bring the Houston family much comfort, here God assures us that death will be swallowed up or removed from all the earth. This is something that we can look forward to in the near future.##imported-begin##Ariel##imported-end##*

“ To the family of my Uncle Greg--especially Son Greg and Daughter Karin: My thoughts and prayers are with you--you know that. Uncle Greg had a special presence in all of our lives. He and your mom gave me my first job as your babysitter! Greg's sense of humor, intellect and work ethic has shaped all of us. We were just laughing about the saturday mornings when he would stop by to make us all home fries for breakfast! Lets remember the wonderful things and the gift of his life...and he will live forever in our hearts! Call us anytime you need us.
