“ *Auntie Jewel Mae, I know that the Lord Jesus Christ has a plan and a purpose concerning all things. We don't always know or understand, but His ways are far above ours. There is no searching His reason or purpose, but we do know that if we just trust Him and lean not unto our own understanding, that this same Jesus will direct our paths. May God's peace be upon you and my extended family. Blessings, Blessings and Blessings. We love you. Amen##imported-begin##Clyde M. Glover, Family##imported-end##*

“ *Demetrius, It really is hard to say goodbye to yesterday. We shared so many laughs and good times. You were always there for me. You were my brother. You will live forever on in my heart. I will celebrate your life through the music and the many things we had in common and enjoyed together. I will live on and do those things we always dreamed and talk about doing together. I love you always. See you at the crossroads my friend.##imported-begin##LaVar Braden ##imported-end##*
