“ *Gregory my dear friend and brother, you have been a true loved one that has finished your life here on this earth, you are NOT dead, for your ETERNAL life has just begun and still you are HERE with us daily in the Spirt as we all continue to wade and tarry here. That is what BELIEF in Christ ia all about. John 5:24 says "Most assuredly, I say to you that he who hears My word and beleives in Him who sent Me has everlasting life, and shall not come into judgement, but has passed from death into life." See You Soon.*

“ Uncle Greg, I love you and I appreciate the time that I did get to spend with you. You are my (and Krystal's) father's older brother and you were a hard working Gilmore man that set an example for your family. I will uphold your legacy of hard work in my daily actions. You are absent from the body but present with the spirit eternally and I will dedicate my success to your memory... Your nephew, Kelly.##imported-begin##Kelly J. Gilmore##imported-end##

“ I love you Uncle. You're spirit is present although physical attributes are no longer here. We've had some great times; Family reunions, visits to San Diego, Las Vegas, Detroit, and many others. You've always kept it real and I appreciate that with all of my heart. You're my favorite Uncle, (a coveted title)smile;I've told you that many times. Thank you for picking me up at the airport, listening to my drawn out stories, smiling, laughing, being patient while I hid to play as many casino games as possible. Thank you for being loving, tolerant, cool, down to earth, and an overall awesome person. You've supported the family with more than financial means, but your spirit. love, and genuine heart will stay present with us always. I love you Uncle Greg!
