“ *Gregory my cousin will be truely missed, I could talk with him or see him today and we would pick up where we last spoke or talked months or years ago, and his demeanor never changed. He truely was concerned for people. I tell you he loved his family, the love stood firm and is forever. People didn't know our relationship was so deep, I know he was very kind hearted and generous and always put himself second. He was always smiling and it was a joy to have him in our lives. He was loved. Remembering you
