“ *A man apart of me that a name I carry and has been passed down  
to start another generation to go on. Your bloodline will continue to  
run deep through the family tree as you journey onward protecting  
those with your guidance looking from up above. A handful of  
memories that I locked up in my heart as I walk and breath day by  
day hoping to see you again with a smile on your face. "I Love You
