“ *On behalf of myself and the Richardson family, we extend our sincere condolences to our friends-The Little Family.*

*Mr. Little was a loving man and great father to his family. I had the pleasure of knowing Mr. Little and his family as a young man growing up in Oak Park. I appreciated all the hospitality and kindness he showed me during that time. He was always a strong, God fearing man so there is no question he is in his rightful place in heaven.*

*God Bless him and the Little family.*

“Daddy, I loved you - you are gone but truly not forgotten. I thank God for allowing me to know and interact with you and I will miss you. I will forever remember the times we shared together as father and son talking about Grand Dad (Mandy), Mom (Rodbud) and Aunt Pearl, as you shared words of wisdom relative to my circumstances. You always quoted Aunt Pearl saying, "Do Right". These words I have endeavored to live by. I know you had to leave, as your time had ended here on this earthly journey. You are now in good hands (the Lord's) and rejoicing with him. I am preparing and looking forward to meeting you again someday. REST IN PEACE DADDY! Good night, good night, I will see you in the morning. With love, son Hilton Maurice.##imported-begin##Hilton Maurice##imported-end##

“ No words can truly explain how I feel right now. Mr. Little was like another father to me. Everytime we came by to visit he was always smiling and trying to feed us. His smile alone was enough...I am so going to miss that.. Through all of this Mr. Little never once gave up or gave in.. He is and was a man of strong FAITH. I know that the heavens are rejoicing because they received one of God's most prized possessions! A man of God who had FAITH upon Faith.. With that being said.. I love you Little family from the bottom of my heart! Weeping may endure for a night but JOY will come in the morning..##imported-begin##LaToya Wilder##imported-end##
