“ *Felisa Goldsmith and Family; I am soo sorry for your loss. A father is very important to a family, his strength holds the family together. His laugh, his jokes, his tolerance, will be forever with you, he made you smile. May your father in his new life with God be an advocate, helper, and your families guardian angel. Although his departure was unannounced his spirit and generosity will not be forgotten. Ms. Felisa Go with God because your father will never be forgotten. With much respect and compassion for your family.*

Your co-worker and friend.
