“ I am saddened for the loved ones that Hubert has left behind. I share in your sorrow. Even though we may be hurting, remember Hubert is the lucky one. He's at peace and has gone home. Take solice in the fact that he will be waiting for us with the "BIG GUY" upstairs and that great big smile of his.###imported-begin###Sam Chiappetta###imported-end##

“ I am so sorry that we lost Hubert. Hubert worked with me as a Production Supervisor at GM. He taught me so many things about the plant, life and how to wear colorful alligator shoes in the plant and still not have your feet hurting. He was a blessing to GM and to me. God bless Hubert.##imported-begin##James Bailey##imported-end##
