“ Jamal....As I sat here I thought I would be ok, but I couldn't think of what I should actually say. I thought everything would be alright, but every time I see your face I break down and cry.

*I miss you dearly and it hurts my soul to know that someone would hurt a person who had the most radiant and flamboyant personality. As a matter of fact, you made me the same way. Before my heart was filled with your love I was cold and bitter, but you being in my life really cheered me up. Giving you my love was one of the best feelings in the world and to be loved by you felt even better!!! The two and a half years that we spent together were truly the best years of my teen age life. I remember everything we EVER did together from the time we first met in Science class til the last time I got the chance to hear your voice and see your face. I miss your smile, the smell of your cologne, your kisses, taking showers with you (sorry Ms. Hurt), waking up to your face, hearing your voice and even watching you on the computer downloading all those Gucci Man songs!!lol. Whenever I see someone in a big brown coat I try to make myself believe its you, but in all actuality you're watching over me! I seen you and Mone's faces in two clouds one day after it stopped raining...I thought I was going crazy, but that really brightened up my day!!! I miss you greatly and sometimes I feel like my heart is gonna freeze up and fall out because I never wanted to know how it felt to have you leave me...well us now. It's not just me anymore. It's me and our daughter Autumn. Whenever I look at Autumn I see your face and I smile because just like you; her smile is bright enough to light up the sky. Also because she is a spitting image of you like you gave birth to her!!!Lol. Whenever she sees a picture of you she waves and says "da da". It brings comfort to my heart because even though she's only 8months old, I know that she knows who you are. Whenever I say your name she stops everything and looks at me with a blushful smile which sometimes saddens me, but I know I have to be strong. Whenever I go shopping I see teenage families together and it just makes me wonder...but since that's all I can do I get really sad. I've learned no to be angry because when God makes a decision that decision is*

*final and if it were meant for you to be here you most definitely would be. Everyone has a calling and I believe yours was to spread joy to every heart you touched and I know for a fact you did that. Your birthday is coming up soon and I'm sorry that we never got the chance to visit New York to watch the ball drop on your b day!!! So since I'm not going to be able to visit there with you Ryan and I invited a lot of people to do the fool New Years Eve!! In the end I know that in Gods time I will see you again and even though you had to leave...I'm glad you didn't leave me here alone with nothing to remember you by!!!*

*Tell the rest of my friends: Derrick, Tamiia, Raymond, Dominique & my cousin Dennis ...I love them all. Oh and take care of my sweet puppies Santana and Snowball.*

*I love you with all of my heart Jamal, remembering the great times is how I stand strong. Continue to watch over us..especially our child!!  
Forever your Lady,  
Alexus Delana Summers  
& Your baby girl  
Autumn Delon Summers-Hurt*

*To my friends and family...stay strong because Jamal would want you too.Besides the best thing to be jopyful about is when a person makes it to heaven. Jamal has passed the ultimate test...Righteousness in life. If you wanna reunite with him like I one day will...live righteously, be humble and most importantly follow the word of God. I love you all!!!##imported-begin##Alexus Summers##imported-end##*

“ to my sweet son whom I know was sent to me from heaven. Having you in my life was such a joy, the love we shared the laughter we laugh, the midnight snacking we ate, To the early morning perparing for the day. the TV wacthing and just chitchatting. Now every day I wake up I go into your room just to see your smiling face, to smell the smell of your colon, to see you eyes, I fall to my knees and pray and pray and pray for God to keep his arms around you and never never let go, to restore your same energy. Now I have your beutiful daughter Autum to look after with the same wounderful smile, and your sister Miss Shelby, she misses you to so much too. just to look in her eyes when I know she is wondering where you are. It hurts, SO BAD Mally YOU ARE SO PRECIOUS TO ME I couldn't have PICK a better son, you are my everything my world I miss you I miss you I miss you I miss you. Dear lord please hear my prayer, PLEASE GOD OPEN THE GATE FOR JAMAL LET THERE BE A LIGHT FOR HIM TO FOLLOW, LET HIM NOT FELL ALONE OR AFRIED, MY FATHER IN HEAVEN YOU HAVE CLAIM YOUR OWN, LET HIM FIND HAPPINESS AND COMFORT BEYOND THE GATES OF HEAVEN INTO YOUR WARM LOVING ARMS, BLESS MY SON ON HIS JOURNEY HOME FOR SOME DAY I WILL FOLLOW BECAUSE I LOVE HIM I LOVE HIM AMEN! “ There will come a day  
when the tears of sorrow  
will softly flow into tears of remembrance...  
and your heart will begin healing itself...  
and grieving will be interrupted by episodes of joy...  
and you will hear the whisper of hope.  
There will come a day  
when you will welcome the tears of remembrance...  
as a sunshower of the soul...  
a turning of the tide...  
a promise of peace.  
There will come a day when you will...  
risk loving...  
go on believing...  
and treasure the tears of remembrance.  
May God's Peace surround you and your family. From Water Dept.
