“ *My beloved family:*

*My prayers and thoughts are with you during this time of bereavement in the loss of our dear brother. He was loved by all of us and he loved us as well. He was always happy to see and talk to us. My heart goes out especially to Napoleon who nurtured him and kept close contact with him, making sure his needs and wants were met and that we would see him when we visited. And to Julia for caring for him when he was injured and sick. We shared many moments in our younger years when he lived in Mobile for a short period of time in the 70's working at the nursery and when he took my car on the back and ran over a dog and totaled the car and I had to take the bus back to Mobile, and when he purchased a car for himself which needed a paint job and he painted it with green house paint in the rain. This was "Head". As the funeral hour begin on tomorrow so will I take the time out to pause as we say our farewells to his homegoing. He will be missed. I love all of you.*

“ Too my Brother

*Brother, it gives me great comfort in knowing that through all the pain and suffering you've learned to trust in Jesus and depend on the Lord. Also, to know that you've accepted the Lord Jesus Christ as your personal savior and that your soul was saved. I know you're smiling down from heaven telling me you are with mom, dad, sisters, and brother, telling me not to worry, you are free. Honey, I love you, and I missed you dearly.*

*Love always,*
