“ To My Cousins: Vanessa, Rose and Selena I want you to know that he was your father but my favorite Uncle. Uncle James always received me and my family into his home with a warm embrace and a good home cooked meal. We never want to give up our love ones, but just knowing that he is at peace and with our Heavenly Father should help you and I to accept this transision. He's in my heart just as my beloved Aunt Marion is and will always be. Loving you, always, Channie##imported-begin##Chantal Graham##imported-end##
