“ Who was Uncle Clarkie to me...

*Uncle Clarkie is someone who I will always hold close to my heart
I treasure our memories, with those we'll never part*

*He was a great man overall
He stood tall, full of confidence
I admired his style...calm, cool & collective
He was a wise man with great advice*

*As a child I loved when my Mom informed me that Aunt Eloise &
Uncle Clarkie was in town
We found ourselves sitting, talking and laughing on Florence Street
for hours
I knew I had school the next morning, but it was cool
I love talking to them
In my eyes I will always view Aunt Eloise & Uncle Clarkie as the
“Perfect Pair”*

*I loved conversing over the telephone with both on the line at the
same time*

*The conversations we had, time spent are all memories now
delicately placed in a vault
I cannot describe the emotion I felt when I received that phone call
on 04/28/2011
That Uncle Clarkie was surrounded by angels & taken to Heaven*

*I kept playing in my head over & over again it's no one's fault
In my heart I know he's in a better place....*

Rest in Paradise Uncle Clarkie....I love you!!!!

*Love your dear niece,

“ *My prayers and thoughts are with the Clark family during this time. I remember meeting Mr. Clark for the first time and was so impressed and captivated by his good wit and how he cared for his wife. He was enjoying retirement and left me with some golden nuggets so that I can one day join the ranks of the "happily retired." It was definitely an honor to meet him and be in the company of two extraordinary people. Being Michele's colleague and friend is also an honor. Stay strong and know that you are not alone during this time. God will carry you.##imported-begin##Charlotta CC Cummings##imported-end##*

“ To "Unk",

Words always fall short in moments such as these, so I'll try not to stumble. NEVER, in such a short time, has anyone, impacted my life the way that you have. I dont give my love quickly....but, I LOVE YOU UNCLE JUNIOR. It is killing me that I'm not there. I feel as if somehow, I'm letting you down. I know you wouldn't see it that way, and that is one of the reasons you became special to me. You made me feel like I was "one of yours" almost immediately, and I always felt that was next to impossible for me to feel that way. I'm gonna miss you man! “ *Cousin Eloise, Michele, Jimmy & Kenny: It saddens my heart to know that our beloved Clarkie will no longer be here with us to share his wisdom, but it enlightens my heart to know that he has been called upon by Our Lord & Savior to serve him in heaven!! Words cannot express how Clarkie has touched my soul as well as the many others who were blessed to have known him. I am so happy that one of my last visions of him was when he was doing his "thing" on the dance floor at Tia's wedding. We all know Clarkie was smooth on the dance floor! We are keeping you in our deepest prayers and know that Clarkie will continue to watch over us all.*

“ Dear Family,

My heart is saddened to hear of the loss of my dear Uncle Tad! I will always remember his warm smile, raspy voice and kind heart. I will also always remember the fun we have had over the years in Philadelphia and Detroit.

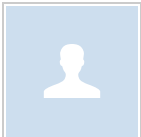

When I spoke with Uncle Richard the day of Uncle Tad's passing, I was reminded of how certain people seem as if they will live forever. Uncle Tad is one of those people. I truly look forward to seeing him in heaven!

May God continue to richly bless us all during this time of profound sorrow!

All my love,
